2020 Preschool Inclusion Roundtables

*A collaboration
between ISBE, Early
CHOICES & Illinois
STAR NET*

What are the Preschool Inclusion Roundtables?

These regional online meetings are targeted to districts who are working towards increasing access to inclusive opportunities for young children in preschool. The roundtables provide a forum to meet with other districts, hear about various models to implement preschool inclusion, and learn from district representatives that have taken steps to implement plans to increase access to inclusive classrooms.

You will have an opportunity to learn what is available to support your district inclusion efforts as you create or update your inclusion plan.
