

COMMUNITY OF PRACTICE: INCLUSION FOR PD PROVIDERS

2021 | HOSTED BY EARLY CHOICES | WWW.ECLRE.ORG

COMMUNITY OF PRACTICE

A community of practice is meant to strengthen teamwork, reduce feelings of professional isolation, improve professional practice and provide personal growth for members.

We will facilitate dialogues to support professional development providers, technical assistance providers and coaches to better support inclusion in early care and education. This will be a cross systems group of people who provide professional learning to early care and education professionals in Illinois. Topics will include how to support others to better understand inclusion, how to respond to challenging situations regarding inclusion or supporting children with disabilities, and how to foster attitudes and beliefs that are supportive of including young children.

We will meet 6 times with some surveys and materials shared in between sessions. Email ann.kremer@eclre.org for application.
