

# INCLUSIVE EDUCATION SERIES FOR FAMILIES

## SIX EVENING WEBINARS

**Who:** Family members of young children with disabilities

**What:** The series includes topics that explore key ideas about inclusion in early childhood education for children ages birth through five years of age. Topics range from defining inclusion to understanding the benefits of inclusion.

**How:** Each session will include a topic guide, guest speakers, and resources for attendees to reflect and apply what has been learned so the experience can be personalized.

**Where:** All sessions will be virtual via Zoom

**When:** Third Thursdays, September thru April. See the 6 dates in the box and register for each one.

Whether you attend one or all, this series will support your journey towards inclusion and provide resources that support your child.
