

# Community of Practice: Inclusion for PD Providers

Hosted by Early CHOICES

## COMMUNITY OF PRACTICE

A community of practice is meant to strengthen teamwork, reduce feelings of professional isolation, improve professional practice and provide personal growth for members.

### *What can I expect?*

We will facilitate active meetings to support professional development providers, technical assistance providers and coaches to better support inclusion in early care and education.

### *Who can apply?*

This will be a cross-systems group who are ready to collaborate and delve into practices related to inclusion and provide professional learning to early care and education professionals in Illinois.

### *What topics will be covered?*

Topics will include how to support others to better understand inclusion, and the practices that support high quality inclusion.

### *What is the commitment?*

We will meet 6 times to engage as cross-system colleagues to enhance our skills in delivering professional learning specific to inclusion.
