

2022 Preschool Inclusion: Educating all Young Children Together

Are you working towards increasing access to inclusive opportunities for young children in preschool in your program? This webinar will provide a forum to meet with other districts, hear about various models to implement preschool inclusion, and learn from district representatives that have taken steps to implement plans to increase access to inclusive classrooms. You will have an opportunity to learn what is available to support your district inclusion efforts as you create or update your inclusion plan.
