

Join us for a STAR NET Region II
WEBINAR

Let's Review Early Childhood Outcomes (ECO): Striving for Positive Best Practices in ECO

This webinar will provide you with information on the Illinois Early Childhood Outcomes system and assist you to accurately determine outcomes ratings for preschoolers with IEPs. Content will include a review of the three outcomes areas, determining ratings using the Child Outcomes scale, the importance of team discussion including families and decision making based on the child's functioning across settings. The review of these practices across all team members will help lead to good outcomes for children.
